About REVA NEST

REVA NEST is a Technology Business Incubator which is registered as RAY Foundation, section 8 company under Companies Act 2013. RAY – REVA Aspiring Youth Foundation

REVA NEST aims to build the entrepreneurial ecosystem by empowering and nurturing student start-ups and incubating innovative technology based start-ups. REVA NEST extends services to incubatee companies on Business Set up, Technology Product Development, Patenting, Commercialization, Marketing and Operations.

REVA NEST is recognized by MSME and supported by Karnataka State Council for Technological Upgradation through Government of Karnataka. REVA NEST is equipped with state of art infrastructure and supports startups in the thrust areas of Internet of Things (IOT), Electronic System Design and Manufacturing (ESDM), Robotics & Intelligent Systems, Clean Energy, Art and Design.

Vision

To create an ecosystem that will foster and support entrepreneurship by translating innovative technology ideas into successful ventures offering products, processes and services that greatly benefit the society at large.

Mission

To provide conducive support system that helps in nurturing technology based innovative start-ups towards sustainability and scalability

Objectives

- Nurturing start-ups at an early-stage and helping them overcome obstacles
- Offer training programs that helps in capacity building of start-ups
- Offer value-added services viz. legal, financial, technical, IPR and mentoring to incubates
- Establish Innovation centres for Rapid Prototyping
- Facilitating business networking for better and faster enterprise growth
- Provide Global Exposure through corporate platforms and university partnerships

SUCCESS

IDEA

STRATEGY
